

**Curriculum Vitae (RESUME)**  
**Last update: 18 Feb 2024 (1402/11/29)**

• **Personal Information:**

**Name:** Jamal **Surname:** Seidi

Associate professor in Nursing

**Date of Birth:** 1968-10-15

**Place of Birth:** Sanandaj, IRAN

**Nationality:** Iranian

**Affiliations:** Clinical Care Research Center, Research Institute for Health Development, Kurdistan University of Medical Sciences, Sanandaj, Iran,

**Email:** jamal.seidi@yahoo.com. ORCID ID: 0000-0003-4048-8154

**Phone:** 0989183781006

• **Education:**

Degree	University	Field	Date
Ph.D	Tarbiat Modares University	Nursing	1389 (2011)
M.Sc.	Tehran University of Medical Sciences	Nursing	1381 (2004)
M.Sc.	Virtual University of Medical Sciences	Medical Education	1398 (2019)
B.Sc.	Kurdistan University of Medical Sciences	Nursing	1368 (1999)

• **M.Sc. Thesis**

Investigating the effect of medical counseling on the rate of smoking and pulmonary function in patients with chronic obstructive pulmonary disease referred to health centers in Sanandaj city in 2013

- **M.Sc. Medical Educational. Thesis**

Promotion of self-directed learning of clinical skills of operating room students in Kurdistan University of Medical Sciences: A collaborative action research study

- **Ph.D. Thesis**

Explaining the process and designing a model for improving nurses' clinical judgment

- **Employment date**

- The beginning my work as a scientific member in the nursing department and operating room department of Kurdistan University of Medical Sciences on January 14, 2018.
- • From 16 September 2013 as an assistant professor in the operating room department
- From March 16, 2018 to until now as an associate professor in the operating room department

- **Memberships**

- Nursing Organization of Islamic Republic of Iran

- **Executive positions**

- Secretary of the Graduate Education Council of the Faculty of Nursing and Midwifery, Kurdistan University of Medical Sciences. Iran (01/09/1393 to 08/08/2023)
- Director of the Department of Operating Room, Faculty of Nursing and Midwifery, Kurdistan University of Medical Sciences. Iran (20/12/2019 until now)
- Department of Nursing and Midwifery, Kurdistan University of Medical Sciences. Iran (08/08/2023 until now)

- **Teaching experiences:**

- Professional ethics in nursing
- Medical-Surgical nursing
- Transplant nursing
- Familiarity with internal diseases in the field of operating room technology

- Professional ethics in the operating room
- Cardiopulmonary resuscitation and principles of critical care
- Management in the operating room
- Research Methodology
- Nursing philosophy and theories
- Evidence-based care
- **Research interests and experiences:**

- Quantitative research included
  1. Case report study
  2. Descriptive-analytical Research
  3. Intervention Research
  4. Clinical trial Research
- Qualitative and mixed research included
  1. Tool design and psychoanalysis
  2. Action research
  3. Content analysis
  4. Phenomenology
  5. Grounded theory
  6. Ethnography
  7. Historical research
- Research field included

Different clinical departments of medical centers and hospitals, educational environments, social centers

- **Awards:**

Top researcher of Kurdistan University of Medical Sciences. Iran in 2016  
 Top article of the International Congress of Evidence-Based Care. Iran in 2016

- **Publications:**
